**NOTIFICATION OF DOCKET ENTRY**

This docket entry was made by the Clerk on Tuesday, September 11, 2018:

MINUTE entry before the Honorable Sidney I. Schenkier: Status and motion hearings held. Defendant's counsel, Stephen Premo, appears by telephone conference. The parties report that discovery, other than the discovery sought in the pending motion, has been completed. The parties further report that they are beginning to engage in settlement discussions, but do not wish to have a settlement conference mediated by the Court at this time. Defendant's unopposed motion for leave to file documents under seal (doc. #[324]) is granted. Defendant is given leave to file its memorandum (doc. #[329]) and certain exhibits in support of its motion to compel discovery under seal. For the reasons stated on the record, defendant's motion to compel production of documents and for sanctions (doc. #[326]) is denied. Defense counsel's oral motion that the code name used for a certain investigation not be treated as confidential is denied without prejudice, as the parties have not yet exhausted the procedure under the protective order for meeting and conferring about objections to confidentiality designations. The parties shall complete that meet and confer process. If agreement is not reached, then defense counsel is given leave to file a motion by no later than 9/18/18. If a motion is filed, the Court will determine upon review of the motion whether a briefing schedule and/or hearing is needed. If agreement is reached, then the parties are to file a joint statement by 9/18/18 stating that the issue has resolved. The Court will not set a further status hearing at this time. Mailed notice. (jj, )
